4. To consider a response to planning consultation DC/17/2673/HH, Burbage, Thetford Road  
After careful consideration, it was resolved to comment as follows: -

This Council does not object in principle to an extension. Members consider that the current proposal is out of keeping with the existing dwelling and similar adjacent properties. This proposed development will also cause amenity issues for neighbours at No. 23 Paddock Farm by overlooking private amenity space. The Council therefore objects to the proposal in its current form.

5. Decide format for the Annual Village meeting scheduled for April 19<sup>th</sup>: this item was deferred to a later date because of the continuing widespread area power failure.

6. There being no other business, the meeting closed at 19:30 hrs.
